**Description**

This project consists of an open multimedia archive, while at the same time, it is also a physical place. Alterazioni Video, as a kind of gift, makes artists' multimedia archives (films, pictures, mp3. etc.) available to the public – allowing people to download and upload files for free, while also sharing their own information.

**Goals**

The aim is to invite users to ponder the meaning of memory.

**Beneficial outcomes**

Visitors can download for free whatever they want from the archive.
